Chairman Letter

Success isn't just about accomplishment. It is also about the things you do in your life to motivate & inspire others to do something motivating & inspiring in theirs.... Anonymous

Regardless of what the dictionary describes as success, accomplishment, motivation and inspiration, these are often words that you just cannot put into words. We can look at someone and see how successful they are but can we describe how they got there? We can say someone was such an inspiration to us or motivated us to do more but can we describe exactly how they did that? We all have spent our entire lives becoming who we are and yet seldom can we pinpoint exactly how we got there.

Membership News

Our grants, including the donations made to Camp Hope, the Salvation Army and WomenGive, are made possible from the investment earnings made from our life-active memberships. This year the Foundation grew to over 320 life active members and the Board would like to formally recognize and thank the members who became life active during our fiscal year, June 2016 - May 2017:

Planned Giving

We have the power to strengthen the Foundation endowments today, tomorrow and beyond by considering making a Planned Gift. The future of our Foundation is in our Planned Giving Program. I recently read that there is an estimated \$20 trillion that will be transferred inter-generationally between 2000 and 2020.

Planned Giving doesn't have to be complicated or frightening.

Foundation Fund Fest 2017

Because you care, the annual Foundation Fund Fest was another success! To everyone who donated items for the oral and silent auctions, those who bought those items, those who played the games, those who volunteered during setup/cleanup and during the event, I thank you! This is a huge event for the Foundation and we appreciate each and every one of you for your support.
